IN-HOUSE COMMERCIAL REAL ESTATE SERVICES:

Coldwell Banker Commercial Danforth is an in-house, full-service commercial real estate company and we are here to serve the needs of our residential brokers and their clients. We are an industry expert in commercial real estate sales and leasing for a wide range of commercial property types including retail, multi-family, industrial, investment, office and vacant land. As a full-service commercial organization, Coldwell Banker Commercial Danforth offers a full scope of services including sales/leasing, investment consulting, property management and mergers and acquisitions. We represent clients throughout Western Washington and have offices located in both North Seattle and Federal Way to serve you.

We are proud to be recognized as a CBC Elite Company, with Coldwell Banker Commercial Danforth ranking among the Top 15 franchises worldwide. This is the highest honor any CBC company can achieve and is based on Closed Adjusted Gross Commission.

Our brokerage offers a long-established local presence combined with national and global branding. Founded in 1996, Coldwell Banker Commercial Danforth ensures that our brokers offer a wealth of experience, in-depth market knowledge and superior customer service to each and every client.

Achieving clients' goals is our primary concern, whether it be selling a building, leasing a warehouse or finding investment property. The years of collective experience Coldwell Banker Commercial Danforth brokers have in the industry, along with the many close relationships we have formed over time with other CRE brokers, developers, lenders and appraisers, allow us to give our clients a cutting-edge advantage. Providing superior service is our personal commitment.
